Summer Sermon Series... "What Would Jesus Say?"

What might Jesus say about some of the problems and concerns we face today? Join us this summer as we explore the timeless teachings of Jesus and apply them to our everyday lives.

Attention all parents of young children!

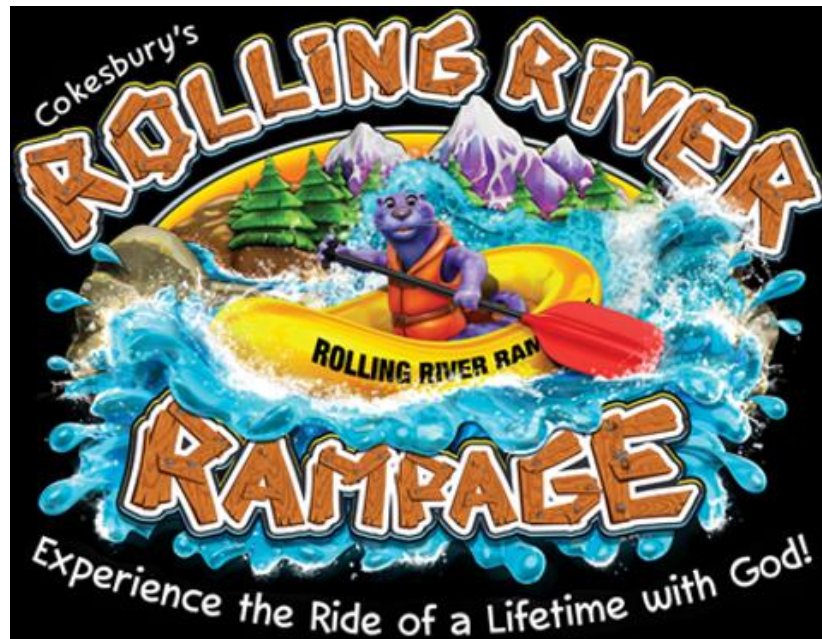

We are thrilled to announce that Sunday School will continue throughout July and August this year. Special thanks to the teaching teams for their commitment in continuing this meaningful ministry over the summer months. We felt that it was important to allow our children to have the freedom to keep their routines consistent and their friendships with each other developing. Our hope is that this initiative will help to sustain the number of children participating on a weekly basis.

Daily themes include: Adventure, Acceptance, Joy, Rest and Peace. There is no cost to attend, however, free-will offerings are gratefully accepted.

This program is being run by Hamilton Presbytery at a different United Church each week in July and August.
